

## Heritage Membership

For more than 100 years, Alameda County Fairgrounds has played an integral role in the preservation, promotion and advancement of Alameda County’s rich agricultural heritage. The Heritage Membership is part of the Fair Foundation. Its sole purpose is to offer opportunities for individual contributions to support the Fair.

The Fair Foundation was formed in recent years for the exclusive purpose of keeping the Fair’s Mission alive and relevant for future generations. The Foundation aims to drive community outreach and youth engagement through the endowment of innovative, technology-based educational programs and facilities.

By becoming a Heritage Member, you join an elite group of community leaders that are committed to this mission. By providing funding and through volunteer opportunities you will be supporting our first project of building the “Farm of the Future”, with opportunities to educate the county’s youth through agricultural programming.

Being a Heritage member is a VIP Experience. For a yearly donation of \$500, you will be supporting the efforts of the Foundation projects but will also gain recognition for the Foundation through involvement in networking events.

For your donation of \$500 per year you will receive the following:

- 4- One Day Admissions to the Fair
- 2- Parking Pass
- Attendance at VIP Heritage Events
- Acknowledgement in the Fair Newsletter and Website
- A Special Heritage Jacket to be worn during the Fair and other Events
